## PART A GENERAL INFORMATION

### 1. INTRODUCTION

#### 1.1. ABOUT THIS PRODUCT DISCLOSURE STATEMENT

This document forms the Product Disclosure Statement (“PDS”) for the MoneyMe Express Visa card (the “Card”). The PDS for the Card contains important information regarding the Card, including the fees and other costs that apply to the Card.

This PDS is issued by Cuscal Limited ABN 95 087 822 455, AFSL 244116 (“Cuscal”/ “we”) as a requirement under the Corporations Act 2001.

This PDS is an important document designed to assist you in deciding whether to acquire the financial product to which it relates – the MoneyMe Express Visa card.

Your contract with us for the Card is comprised of this PDS document, incorporating the Terms and Conditions, which contains important information regarding the Card.

The information in this PDS does not take into account your individual objectives, financial situation or needs. Any advice in this PDS is general advice only. You should consider the appropriateness of any general advice to your circumstances before acting on it.

### 2. ELECTRONIC STATEMENTS

Electronic statements showing the Card’s transactions and Available Balance are available for viewing and printing from the Website shown on the PIN Mailer. Please contact MoneyMe on 1300 669 059 if you require any assistance accessing electronic statements.

### 3. CHANGES TO THIS PDS

The information in this PDS is subject to change from time to time and is correct and current as at the date stated on the front cover. Where the new information is materially adverse information the Issuer will either issue a new PDS or a supplementary PDS setting out the updated information electronically. Where the new information is not materially adverse information we will not issue a new PDS or supplementary PDS to you, but you will be able to find the updated information via the Website. You may request a paper copy of this information free of charge from *emERCHANTS* by phoning 1300 739 889.

### 4. GENERAL PRODUCT DESCRIPTION

The Card is a reloadable Visa prepaid card. Your Card provides you with the means to receive your MoneyMe loan as well as keep track of and have access to your Stored Value anywhere in the world where Visa prepaid cards are accepted.

An inactive Card can be made into a functional Visa prepaid Card if you have received a copy of this PDS and you have fulfilled the requirements for activating the Card. You then have a reloadable Visa pre-paid card facility for making non-cash payments which Cuscal provides to you as the Card Issuer.

Your Card can be loaded with MoneyMe loan funds within the transaction limits listed in Section 12.7 of Terms and Conditions in Part B. You can also load or transfer personal funds onto your Card within the same limits.

The Product is not a credit or charge Card and the Card Stored Value does not earn interest. The acquisition of, or Stored Value loaded to, the Card does not represent a deposit with, or investment in, Cuscal.

- Do anything else on Cuscal's behalf, other than marketing, arranging for the issue of and providing customer services for the Card.

## 8. SIGNIFICANT BENEFITS TO CARDHOLDERS

The significant benefits of the Card are as follows:

- Stored Value can be loaded onto your Card by electing to receive loan funds from your MoneyMe Loan directly to your Card in accordance with the transaction limits set out in section 12.7;
- You can also load funds to your Card using a Direct Credit facility (commonly described on internet banking sites as a "Pay Anyone" facility) provided by your bank or other financial institution in Australia in line with the transaction limits, as set out in section 12.7. You must enter the BSB number and your account details as provided to you with your Card;
- Use of your Card is subject to certain transaction limits, as set out in section 12.7;
- The Card is a Reloadable Visa Prepaid Card which means that it can be used to pay for goods and services from merchants in Australia and around the world who accept Visa Prepaid Cards including online purchase transactions;
- The Card can be used to withdraw cash at participating ATMs that accept Visa Prepaid Cards around the world, where a Visa or Plus symbol is displayed;
- The Card can be used to make purchases online at merchants who accept Visa Prepaid Cards for Electronic Transactions;

- The Card is reloadable, which means it can be loaded with Stored Value multiple times and within applicable limits; and
- You can access only the Stored Value loaded to the Card. It is not a credit card and you will not pay interest on the balance.

## 9. SIGNIFICANT RISKS TO CARDHOLDERS

Some of the risks that may be associated with the use of the Card are outlined below. The risks described are intended to be a summary of the major risks associated with the Card and are not exhaustive. There may be other risks that relate to the use of your Card.

Significant risks to cardholders are:

- When using the Card to receive loan funds from your MoneyMe loan, the ability to access the Stored Value on your Card is ultimately dependent on MoneyMe transferring funds to Cuscal. Accordingly, if MoneyMe becomes insolvent or if there is otherwise a delay in the transfer of your funds, there is a risk you may not be able to access the Stored Value on your Card;
- The Card will expire at the date shown on the front of the Card;
- Unauthorised Transactions can happen using the Card if it is lost or stolen, a personal identification number ("PIN") is revealed to any other person, or as a result of fraud. For more information regarding liability for Unauthorised Transactions, please refer to clause 12.15;
- Unintended transactions can happen if electronic equipment with which the Card is being used is operated incorrectly or incorrect details are input;

- You might not be able to get your money back if Unauthorised Transactions or unintended transactions occur;
- If the electronic network enabling the use of the Card is unavailable, you may not be able to undertake transactions or get information using the Card;
- The Card could be lost, destroyed or stolen;
- Cuscal can stop any or all Cards from operating in the event of the insolvency of *merchants* or breach by *merchants* of any obligation or duty it owes to Cuscal; and
- The Financial Claims Scheme does not apply in relation to the Card or your Available Balance.

#### Important Information about the Financial Claims Scheme

- The Financial Claims Scheme is a scheme administered by the Australian Prudential Regulation Authority (APRA) to protect depositors of authorised deposit-taking institutions (such as Cuscal) from potential loss due to the failure of these institutions. For more information, see APRA's website at <http://www.apra.gov.au/crossindustry/fcs/Pages/default.aspx>;
- The Financial Claims Scheme only applies to deposits. Your Available Balance is not a deposit with Cuscal, as such, the Financial Claims Scheme would not apply in relation to the Card or your Available Balance in the event of Cuscal's failure.

## 10. OTHER IMPORTANT INFORMATION

There are some other important things you need to be aware of about the Card:

- It does not generate any interest or other return to the holder. In other words, you do not earn interest on the Stored Value loaded to the Card;
- Although Cuscal is an authorised deposit-taking institution in Australia, the acquisition of, or Stored Value loaded to, the Card does not represent a deposit with or investment in Cuscal;
- You do not become a depositor with Cuscal by holding the Card. If you have another deposit account with Cuscal or related party, the funds credited to the Card are not counted in working out how much money you may have on deposit with Cuscal for any purpose;
- Stored Value on the Card will usually become available for use by you immediately for in-person and card not present transactions;
- We will comply with the requirements of the ePayments Code, even though we are not currently a subscriber to the ePayments Code, to the extent that the ePayments Code would apply if we were a subscriber; and
- The Card is designed exclusively for electronic use. The method of communication that Cuscal will use to give you information, including information under the ePayments Code, will be Electronic Communication.

The entire amount of the authorisation or approval will be debited and will not form part of the available Card balance until the

## 12.8. FOREIGN TRANSACTIONS

The Available Balance on your Card is in Australian dollars. Transactions made in a currency other than Australian dollars will be subject to the prevailing Visa exchange rate at the time plus a 2.99% foreign exchange fee. Example of Foreign Exchange Fee:

- You make a purchase from a merchant located outside Australia (e.g. USA);
- At the time, VISA's prevailing exchange rate is US\$1.00 = AU\$0.95;
- You spend US\$200.00;
- The Australian dollar amount is US\$200.00 x \$0.95 = AU\$190.00;
- The foreign exchange fee is therefore 2.99% x \$190.00 = AU\$5.68

For a full listing of fees and charges please refer to section 12.6 Fees and Charges.

## 12.9. PIN

- Your PIN has been provided to you on the PIN Mailer;
- If you forget or lose your PIN, you have the ability to retrieve your PIN. Refer to section 12.10 PIN Reveal;

- Should an incorrect PIN be entered three times when a transaction is attempted using the Card, the Card will be temporarily suspended for 24 hours. You can phone *emerchants* on 1300 739 889 to have the Card unblocked immediately once you have been identified;
- Should the Card be retained by any ATM, the Card is deemed to be lost or stolen and hence cannot be recovered. In that event, you will need to contact *emerchants* on 1300 739 889 and arrange to be issued with a new Card; and
- You must not disclose your PIN to any other person.

---

#### 12.10. PIN REVEAL

- To retrieve your PIN go to <https://pin.emerchants.com.au>;
- You will be prompted to enter your 16 digit Personal Account Number (PAN) along with personal details to verify your identity;
- Following verification of your identity a security number will be sent to your email address as registered with the Card. The security number will be required to allow you to access your PIN; and
- If you have any technical difficulty retrieving your PIN please contact *emerchants* on 1300 739 889.

---

#### 12.11. SECURITY OF CARDS AND PINS

You must make sure that you keep the Card, Identifiers and any PINs safe and secure. The precautions we require you to take (Security Requirements) are set out below.

You must not:

- Allow anyone else to use the Card;
- Interfere with any magnetic stripe or integrated circuit on the Card;
- Unnecessarily disclose the Card number;
- Write the PIN on the Card;
- Carry the PIN with the Card;
- Record the PIN on anything carried with the Card or liable to loss or theft simultaneously with a device, unless you make a reasonable attempt to protect the security of the PIN; or
- Voluntarily disclose the PIN to anyone, including a family member or friend.

---

#### 12.12. VISA PAYWAVE

Visa payWave gives you the ability to use your Card to make a Contactless Transaction for purchases up to \$100 at Contactless Terminals without having to sign or enter a PIN. You can use your Card with Visa payWave technology across various merchants in Australia. For transactions over \$100, additional authorisation is required via use of a PIN. This function is set in place for security reasons.

---

#### 12.13. VERIFIED BY VISA

Cuscal automatically enrolls all MoneyMe Express Visa cardholders into the Cuscal Verified by Visa (VbV) security service, free of charge. This service provides additional security when you use your Card to make purchases at participating VbV online stores (e.g. when you purchase an airline ticket online or a holiday). If VbV identifies that a transaction requires further verification, you will be presented with a challenge question(s) based on the cardholder information recorded against your Card. You will need to successfully answer the challenge question(s) to finalise your purchase. Purchases that are not verified when required will not be authorised.

---

#### 12.14. LOSS, THEFT AND MISUSE OF CARDS

If you know or have reason to suspect that the Card is lost or stolen or damaged, likely to be misused or you have reason to suspect that someone else may know the PIN or Identifiers, you must immediately notify MoneyMe. The Card will then be suspended to restrict further use.

You may be required to confirm details of the loss, theft or misuse in writing (and to provide particular information in the confirmation) and you must comply with this requirement.

If any lost Card is subsequently found it must not be used.

---

#### 12.15. LIABILITY FOR UNAUTHORISED TRANSACTIONS

Your liability for losses arising from Unauthorised Transactions will be determined under the ePayments Code.

You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.

You will not be liable for losses resulting from Unauthorised Transactions that are caused by:

- fraud or negligence by our employees or agents, a third party involved in networking arrangements, or a merchant or their employee or agent;
- a Card, Identifier or Pass Code which is forged, faulty, expired or cancelled;
- a transaction requiring the use of a Card and/or Pass Code that occurred before you have received the Card and/or Pass Code (including a reissued Card and/or Pass Code);
- a transaction being incorrectly debited more than once to your Card; or
- an Unauthorised Transaction performed after you have informed us that your Card has been misused, lost or stolen, or the security of a Pass Code has been breached.

You are not liable for loss arising from Unauthorised Transactions that can be made using an identifier without the Card or a PIN. Where a transaction can be made using a Card, or a Card and an identifier, but does not require a PIN, you are liable only if you unreasonably delay reporting the loss or theft of the Card.

You are liable for loss resulting from an Unauthorised Transaction if we can prove on the balance of probability that you contributed to the loss through fraud or breaching section 12.10 and 12.11 of these Terms and Conditions. In those circumstances you are liable in full for the actual losses that occur before the loss, theft or misuse of a Card or breach of PIN security is reported to us but:

- you are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- you are not liable for the portion of losses incurred in any period in excess of any applicable periodic transaction limit; and
- you are not liable for the portion of losses that exceeds that Available Balance; and
- you are not liable for the portion of losses incurred if we and you had not agreed that the Available Balance could be accessed using the Card or identifier and/or PIN used to perform the transaction.

You will be liable for losses arising from an Unauthorised Transaction that occurs because you contributed to losses by leaving a physical Card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a Card being left in the ATM.

You will be liable for losses arising from an Unauthorised Transaction if we can prove on the balance of probability that you contributed to those losses by unreasonably delaying reporting the misuse, loss or theft of a Card, or that the security of all PINs has been breached. In those circumstances, you are liable in full for the actual losses that occur

between when you became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Card, but:

- you are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- you are not liable for the portion of losses incurred in any period in excess of any applicable periodic transaction limit; and
- you are not liable for the portion of losses that exceeds the Available Balance; and
- you are not liable for the portion of losses incurred if we and you had not agreed that the Available Balance could be accessed using the Card or identified and/or PIN used to perform the transaction.

If a PIN was required to perform an Unauthorised Transaction not already covered above, you will be liable for the lesser of:

- \$150; or
- the Available Balance; or
- the actual loss at the time that the misuse, loss or theft of a Card or breach of PIN security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily (or other) periodic transaction limit.

If you report an Unauthorised Transaction, we will not hold you liable for losses arising from the Unauthorised Transaction for an amount greater than your liability if we exercised any rights under the rules of the Visa scheme, at the time of the report, against other parties to the Visa scheme (for example, chargeback rights).

#### **Important Information about Chargebacks**

In some circumstances you may be able to request a chargeback of a transaction when you have a dispute with a merchant, such as the merchant's failure to supply the goods or services you paid for.

A chargeback is a right under the Visa card scheme rules by which a transaction can effectively be reversed by us debiting an amount to the merchant's financial institution and crediting back to your Available Balance. We can only process chargebacks if the Visa card scheme rules allow us to.

If you believe that you are entitled to a chargeback, you must notify us as soon as possible by contacting MoneyMe or *emERCHANTS*.

The Visa card scheme rules impose time limits for initiating chargebacks. The time limit is generally 90 days from the date of the disputed transaction.

If you request a chargeback, we may need you to provide additional information. If we do ask you for additional information and you do not provide it within 10 days, then you may lose any rights to the chargeback and if it has already been processed, we may reverse it.

Please note that if we process a chargeback, the merchant may have rights under the Visa card scheme rules to have the transaction investigated further, and this can in some circumstances result in the chargeback being reversed (which means the original transaction might be reinstated by being debited to your Available Balance).

---

#### **12.16. TRANSACTIONS**

You acknowledge that you will not receive paper statements from us regarding the operation of your Card.

Your Card balance and transaction history will be made available, and can be accessed through the Website at no charge.

If you notice any error (or possible error) in any transaction or statement relating to the Card, then you must notify *merchants* immediately. We may request you to provide additional written information concerning any error (or possible error) and you must comply with that request.

It is your responsibility to regularly review your transaction history to identify Unauthorised Transactions.

---

#### 12.17. MISTAKEN TRANSACTIONS

It is your responsibility to correctly enter all information into an ATM, online or other system or equipment with which you undertake a transaction or information request using a Card or Card details including any transaction amounts. We will not be responsible for the consequences of incorrect data entries.

---

#### 12.18. CARD EXPIRY

The Card is valid until the expiry date shown on it, unless it is cancelled before then.

Your Card cannot be used after expiry.

We may issue you with a replacement Card if requested by you at any time after expiry and provided you have registered your details with us, including your name and Australian address. We reserve the right not to issue a replacement Card to you, in which case we will return any Available Balance on your Card to you.

---

#### 12.19. REPLACEMENT CARDS

If your Card or Card details are misused, lost or stolen, you should notify MoneyMe in accordance with section 12.14 so that your Card can be cancelled.

You can request MoneyMe to provide you with a replacement Card. A replacement Card fee may apply (see section 12.6 fees and charges).

A replacement Card will be arranged after you notify us that your Card or Card details are misused, lost or stolen in accordance with section 12.4 and the misused, lost or stolen Card has been blocked. You will need to register and activate the new Card in accordance with section 12.4.

---

#### 12.20. CARD REVOCATION AND CANCELLATION

We may revoke the Card at any time without cause or notice. If we ask you to, you must surrender or destroy the revoked Card and you must not use the revoked Card. When you surrender the Card, you must give us your correct name and contact address.

You may ask for the Card to be cancelled at any time. If you ask for the Card to be cancelled and we ask you to, you must surrender or destroy the cancelled Card and you must not use the cancelled Card.

On the revocation or cancellation of the Card, we will pay the Available Balance to you when:

- We are satisfied that there are no un-cancelled or unexpired authorisations or approvals on the Card;
- We are satisfied that there are no further amounts that we will be debiting, or that we anticipate debiting, against the Available Balance;
- We are satisfied the funds on your Card belong to you;
- If *merchants* require it, *merchants* have received the surrendered or cancelled Card from you; and
- You give *merchants* or MoneyMe instructions, on any form *merchants* or MoneyMe require, for the payment of the Available Balance.

On the revocation, expiry or cancellation of the Card, we will pay the Available Balance into your Bank Account when you give MoneyMe consent or instruction to do so.

---

#### 12.21. ACCESSING YOUR AVAILABLE BALANCE IF YOU DON'T HAVE A CURRENT CARD

Whether or not you have a current Card to transact against your Available Balance, you can direct MoneyMe to pay the Available Balance to your Nominated Bank Account by completing a Funds Redemption Request. You can do this through the Website or by contacting MoneyMe (see contact details in Section 5 of this PDS). The Funds Redemption Request will be processed once MoneyMe has confirmed your identity.

Upon receiving a Funds Redemption Request, MoneyMe will arrange for us to pay the Available Balance to you when:

- We are satisfied that there are no un-cancelled or unexpired authorisations or approvals on the Card; and
- We are satisfied that there are no further amounts that we will be debiting, or that we anticipate debiting, against the Available Balance; and
- If we require it, we have received any surrendered or cancelled Cards from you.

---

#### 12.22. LIABILITIES AND DISCLAIMERS

- We are not liable if:
  - The Available Balance is not enough to cover a transaction;
  - a terminal or system does not work properly;
  - circumstances beyond *emERCHANTS'* control prevent a transaction, despite any reasonable precautions having been taken by us;
  - any failure due to events outside our reasonable control;
  - any industrial dispute;
  - any ATM refusing to or being unable to accept the Card;

However, if you were aware, or should have been aware, that the system or equipment was unavailable or malfunctioning, our responsibility will be limited to:
  - correcting any errors; and
  - refunding any charges or fees imposed as a result.
- If any warranties or conditions are implied because of Part 2 of the Australian Securities and Investments Commission Act 2001 or any similar law in respect of services supplied under these Terms and Conditions or in connection with the Card, then our liability for a breach of such a warranty or condition will in any event be limited to:
  - the supplying of the services again; or
